Remi Maillard will become executive vice-president of engineering for Airbus Commercial Aircraft and head of technology for the group on July 1.

Credit: Hannes P. Albert/DPA/Alamy Live News

FRANKFURT—Airbus is exchanging the leadership of its research and technology functions in a far-reaching move that also puts those activities into its airliner division. The aircraft manufacturer named Remi Maillard as its new executive vice-president of engineering for Airbus Commercial Aircraft...
